

Appendix One- Feedback from MHCLG

Dear Chris

Thank you so much for all the work you did to put our visit together yesterday. We really appreciated the level of detail you presented and the amount of information you provided to us. You have given us so much insight to take away and to help us develop the Government response to the Hackitt review.

Thank you also for organising the visits to Trent View and Shuttleworth and to the caretakers at both locations taking the time out to meet with us and show us round. This was invaluable in providing us with a real insight into how these buildings were being managed on a day-to-day basis.

Please pass on our thanks to all your colleagues who made themselves available to meet us and please feel free to contact me at any stage in the coming weeks for an update on how our policy development is progressing.

Many thanks
Andrew Newton
