16. Exclusion of Press and Public

17. To Interview an Applicant Who Has Failed to Disclose Previous Relevant Convictions: Item No: 11/2024

The Licensing Officer:

- a) advised of the reason for this hearing to determine whether the applicant was a fit and proper person to be granted a Hackney Carriage and Private Hire Driver's licence
- b) reported that Members must approach this matter bearing in mind the objectives of this licensing regime which was intended, among other things, to ensure so far as possible that those licensed to drive private hire vehicles were suitable persons to do so, namely that they were safe drivers with good driving records and adequate experience, sober, mentally and physically fit, honest, and not persons who would take advantage of their employment to abuse or assault passengers
- c) added that it was right to regard a licence holder as fit and proper if adequate evidence of good character and record was adduced and there was no reason to question or doubt it
- d) referred to the determined policy to be applied to licence holders as well as agreeing to the implementation of the Statutory Best Practice Taxi Private Hire Standards, developed to set-out a range of robust measures to protect taxi and private hire vehicle passengers, particularly those most vulnerable; the onus was on the licence holder to explain to the Sub-Committee why it should depart from its policy

- e) confirmed that the question to be answered by the Sub-Committee following the introduction of the best practice standards was, “Without any prejudice, and based on the information before you, would you allow a person for whom you care, regardless of their condition, to travel alone in a vehicle driven by this person at any time of day or night?”, and that if, on the balance of probabilities, the answer to the question was ‘no’, the individual should not hold a licence
- f) confirmed provisions contained within the Hackney Carriage and Private Hire Licensing Policy and Statutory Best Practice Taxi and Private Hire Standards
- g) requested that Members provide full and frank reasons for their decision within the decision notice to be issued to the applicant.
