

SUBJECT: UPDATE: POSSIBILITY OF HAVING THE RAGWORT ON COUNCIL LAND NEAR THE WEST COMMON SPRAYED.

REPORT BY: LINCOLN COMMON HORSE ASSOCIATION

1. Purpose of Report

1.1 It has been noticed on some of the land near the West Common that the council owns that it was covered in ragwort, and we believe this is having an impact on the West Common.

2. Background

2.1 Previously asked about this, and would just like an up date

3. Matter for Discussion

3.1 The possibility of having the land sprayed as there are currently no grazing animals on it.
