Date: 24 January 2017

Dear Carolyn,

Please accept this as a formal complaint against Councillor Karen Lee. The nature of my complaint is outlined as follows:

- Firstly, Councillor Lee's chairing skills;
- Secondly, Councillor Lee's fairness in chairing the meeting;
- Thirdly, attempting to embarrass a member in front of external representatives;
- Lastly, politicising a scrutiny committee.

I shall elaborate on all of these issues once I hear from you to convene a meeting with me.

Yours sincerely,

**Cllr Eddie Strenziel**  
**Deputy Leader of Opposition**
