It should be noted collection/recovery action would be undertaken for remaining balances of council tax, so minimal collection issues anticipated – although an increase to the bad debt provision may be required.

*The information below shows the impact the maximum entitlement would have across all council tax bands (based on Council Tax charge for 2017/18):

**Family Premium

This is currently £17.45 per week. Therefore if removed, this would be removed from the calculation of CTS.

Currently:

Lone Parent under 60 – £73.10 Family Premium – £17.45 1 Child – £66.90 Total 'Applicable Amount' - £157.45 per week

With Family Premium removed:

Lone Parent under 60 – £73.10 1 Child – £66.90 Total 'Applicable Amount' - £140 per week

Any income over the 'applicable amount' will now mean the customer pays 20p in the pound towards Council Tax. £17.45 x 0.2 = £3.49 a week more needs to be paid toward Council Tax.
