

SUBJECT:	COMMONS MANAGEMENT PLAN UPDATE
DIRECTORATE:	COMMUNITIES AND ENVIRONMENT
REPORT BY:	CAROLINE BIRD, COMMUNITY SERVICES MANAGER

1. Purpose of report

- 1.1 To provide an update to Commons Advisory Panel (CAP) on the Commons Management Plan.

2. Background

- 2.1 In January 2013 the Council's Executive approved the Lincoln Commons Management Plan 2012-2017. The Management Plan includes separate action plans relating to each of the three commons – South Common, West Common and Cow Paddle – and an over-arching action plan.
- 2.2 In August 2013 a revised action plan was agreed by the Executive, in response to a reduction in resources available to deliver the plan. At that time it was noted that opportunities to deliver on actions detailed with the plan were limited and in many cases subject to future funding or staff resources.
- 2.3 Since that time, a progress update has been provided prior to each CAP meeting.
- 2.4 It is noted that the management Plan as adopted is now overdue for revision. This will be addressed subject to the availability of resources.

3. Update on Actions

- 3.1 An update on Management Plan actions is attached as Appendix A.
- 3.2 This update relates to the period March to June 2018 and follows on from the update issued to the March CAP.

4. For Discussion

- 4.1 CAP members are asked to note the contents of the update.
