- d) referred to the four existing priorities outlined at paragraph 4.1 of the report and advised that in addition and as a result of evidence presented and opinions collected a new priority had been introduced:
  - Let's address the challenge of climate change
- e) advised that the five strategic priorities would be supported in Vision 2025 by a programme called One Council which would replace Professional High Performing Services.
- f) discussed the outcome of the considerable consultation undertaken between October 2019 and January 2020 in developing the Vision 2025.
- g) invited members' questions and comments.

**Question:** If climate change and inequality were both implicit in everything that the Council did why was it necessary to have them as separate priorities?

**Response:** Separate priorities would accelerate the work that would be done and would provide an opportunity to focus resources in those areas. Also having them as priorities demonstrated the importance of these areas to the Council and its political leadership.

**Comment:** Climate change and inequality was important there would be concerns if these were not included in the priorities.

**Response:** They were key areas for the Council and important to the city.

**Comment:** There had been a drop in life expectancy in some areas of the City, inequality was a big issue and still needed to be addressed.

**Response:** There was life expectancy inequality in certain areas of the city. We would be working together with partners to improve this.

RESOLVED that the Vision 2025 Strategic Plan be noted and referred to Executive.

Yvonne Fox, Assistant Director – Housing Management:

- a. presented the proposed new Allocations Policy for comments prior to referral to Executive.

- d. advised that the proposed policy would ensure that the City would operate a policy that fully complied with legislative requirements whilst ensuring that the Council best used all of the social and affordable housing in the City. The Council would ensure that those in most need were secured accommodation swiftly whilst also recognising that people who lived and worked in the City should be prioritised for housing.
- e. gave the background to the report as detailed at paragraph 3 of the report.
- f. referred to paragraph 4.2 of the report and highlighted the proposed change to introduce a residency qualification to the waiting list and explained that this would prioritise residents with a connection to Lincoln and would reduce homelessness and rough sleeping in the City.
- g. advised that North Kesteven District Council didn't want to introduce the same residency qualification, however, the City of Lincoln Council and North Kesteven District Council would continue to work in partnership as Lincs Homefinder.
- h. highlighted the proposed changes to the policy and changes to procedures as detailed at paragraph 4.4 and 4.5 of the report.
- i. advised that consultation on the policy would take place between 24<sup>th</sup> January 2020 and 24<sup>th</sup> February 2020.
- j. invited members questions and comments.

**Question:** Would this Policy be joint with West Lindsey District Council as well as North Kesteven District Council?

**Response:** No, West Lindsey District Council separated from the partnership in 2018.

**Comment:** The Tenancy Agreement needed to be explained to tenants to ensure that they understood their responsibilities.

**Response:** A simplified summary of the Tenancy Agreement had been introduced and tenants were asked to accept that they understood it when they signed up for a tenancy.

**Question:** Asked for clarification on how the Council worked with other agencies such as Women's Refuge to house vulnerable people?

**Response:** The Council worked very closely with Women's Refuge. The process was that applicants would be directly matched to a property rather than bidding for a property.

**Question:** Asked for clarification on the residency qualification?

**Response:** In law homelessness could override the residency qualification. The residency qualification would apply to everyone else that the Council did not have a statutory duty to house. Exceptional circumstances would be considered to go onto the waiting list.

**Question:** Were there still any groups of people that would not be able to go on the waiting list?

**Response:** It would be those people who wanted to live in the City but did not have a connection to the City. They could still move to Lincoln via a Mutual Exchange.

The committee discussed an individual case of a vulnerable person which was referred to Housing Appeals Panel and asked for the procedures of how cases were dealt with prior to consideration by Housing Appeals Panel.

The Assistant Director of Housing Management advised that the Housing Appeals Panel was the last resort following preventative measures being put in place prior to referral to Housing Appeals Panel. She explained the new eviction procedure which had been put in place to ensure that the Council had worked with the tenant and done everything possible to sustain their tenancy before eviction was considered.

She suggested that following this meeting she would look into this particular case to see where lessons could be learned for future.

Members requested that a report be brought to the next Policy Scrutiny Committee on the procedures that were in place prior to a tenancy being referred to Housing Appeals Panel.

RESOLVED that the report be noted and referred to Executive for approval.

  2. Those planning displays should ensure compliance with the relevant guide either The Blue Firework Guide or The Red Firework Guide.
  3. Premises licences had conditions around fireworks displays, where premises licences did not have this condition it could be added as and when the licences were varied or refreshed.
  4. Initial communication could be done around the adoption of the motion and a commitment to support any communications that the RSPCA published.
  5. A letter to central government could be sent in support of introducing a lower noise threshold for fireworks.
  6. A letter could be sent to all major retailers in the district along with any communications strategy that would urge the use of quieter or silent fireworks.
- f. highlighted the procedure for dealing with any reports of unregistered fireworks displays as detailed at Appendix D of the report.
- g. invited members questions and comments

**Question:** Did this apply only to organised fireworks displays?

**Response:** No, it would also apply to anyone wishing to set off fireworks from their gardens.

**Comment:** Supported the motion with regards to public displays but expressed concern that this would not be enforceable for people setting off fireworks from their gardens.

**Response:** The Council had broad powers to take action to tackle ASB. It would be a staged approach, with the first unregistered fireworks display they would receive a warning, the second time they would receive a legal notice and the third time a fixed penalty notice would be considered. Bonfire night, New Year's Eve and Chinese New Year were exempt and fireworks could be set off until 1am the following day on these occasions.

**Comment:** Expressed concern that if large reputable companies stopped selling fireworks then they would be sold by unauthorised suppliers.

**Response:** This would be a matter for Trading Standards. The large retailers were being encouraged to sell quieter or silent fireworks
