

SUBJECT: WELFARE REFORM UPDATE

DIRECTORATE: CHIEF EXECUTIVE'S

LEAD OFFICER: REBECCA COX, WELFARE REFORM AND PROJECT LEAD

1. Purpose of Report

- 1.1 To provide Joint Committee with an update regarding the national and local position of welfare reform, with a specific focus on the local advice referral process, COVID-19 support and Discretionary Housing Payments (DHP) for this report.

2. Executive Summary

- 2.1 This report provides Joint Committee with an update on national Universal Credit (UC) changes; to include reference to the national statistics and national legislation changes.

The report also provides Joint Committee with updates regarding:

- Local advice referrals into the Welfare Reform Support Team;
- National and local changes made to support those financially adversely affected by Covid-19;
- Financial position for Discretionary Housing Payments.

3. Background

- 3.1 The national Welfare Reform agenda has had a significant impact on residents of Lincoln and North Kesteven since 2013 when certain changes were introduced – such as Removal of Spare Room Subsidy, and Benefit Cap – and has continued as further changes have been introduced, such as the ongoing rollout of Universal Credit. These changes have resulted in major changes to the operating of our shared service, to ensure a proactive and positive response to welfare reform and the impacts on residents.

4. National Progress – Statistics

- 4.1 Latest national figures published by the Department for Work and Pensions (DWP) were released on 15 July 2021, with statistics relevant to the period up to 10 June 2021:

- 5,938,958 households receiving UC (this is a decrease from 5,972,017 as reported at the last meeting of this Committee).

Local authority statistics are also available:

- City of Lincoln – 10,985 (10,981 as at the last report)
- North Kesteven – 6,650 (6,752 as at the last report).

5. Advice Referrals to Welfare Reform Support Team

- 5.1 Referrals come from Councils' service areas, customers and external stakeholders into the Shared Service Welfare Reform Support team (formerly Universal Support Team).
- 5.2 The advice referral process has resulted in all internal teams and partners working together with the objective of improving the customer journey.
- 5.3 As a result of COVID-19, the Welfare Reform Support Team has been able to provide vital support to new and existing customers – both over the phone and via email. The team is able to explain to customers what support is available to them (national and local), undertake assessments for Universal Credit, Housing Benefit, Council Tax Support and Discretionary Housing Payments. This has also been a model which has been able to be flexible and adapted for the Test and Trace Support Payments scheme.

6. COVID-19 National support for customers affected

- 6.1 As a result of the outbreak of COVID-19, there have been a number of changes made to legacy benefits, Universal Credit and support for those in or retaining employment, - which have been reported to this Committee previously. Members may already be aware that the increased Universal Credit payment in the form of a '£20 per week uplift' is due to end in Autumn 2021.

7. COVID-19 Test and Trace Self Isolation Payments

- 7.1 From 28 September 2020, anyone who has been told to self-isolate has a legal obligation to do so. To support those who self-isolate, the Department for Health and Social Care (DHSC) introduced the Test and Trace Self Isolation Payment (TTSP).
- 7.2 The TTSP scheme is administered by Local Authorities, with guidance from DHSC. There are two schemes – the mandatory and discretionary. Both schemes are payments of £500 and certain eligibility criteria need to be met.
- 7.3 **The mandatory scheme:**

This is a national scheme and eligibility criteria has been set by the Department for Health and Social Care. The payment is £500 providing the individual lives in England and meets all the following criteria: -

- have been told to stay at home and self-isolate by NHS Test and Trace, either because they have tested positive for coronavirus or have recently been in close contact with someone who has tested positive; and
- employed or self-employed; and
- unable to work from home and will lose income as a result of self-isolating; and
- currently receiving at least one of the following:
 - Universal Credit
 - Working Tax Credit
 - income-based Employment and Support Allowance

- income-based Jobseeker's Allowance
- Income Support
- Housing Benefit
- Pension Credit.

7.4 The discretionary scheme:

There are three national eligibility criteria which have been set by the Department for Health and Social Care, then each Local Authority can include their own discretionary criteria.

7.5 The shared service has approved the same policy for both City of Lincoln and North Kesteven District Council. The eligibility criteria is as follows: -

- have been told to stay at home and self-isolate by NHS Test and Trace, either because they have tested positive for coronavirus or have recently been in close contact with someone who has tested positive; and
- employed or self-employed; and
- unable to work from home and will lose income as a result of self-isolating; and
- have capital of less than £1,000 – this limit was removed from May 2021 as the scheme was reviewed; and
- have income which does not exceed expenditure.

7.6 The Welfare Reform Support Team has received all applications and undertaken assessment decisions. Also, the team secured further funding from Lincolnshire County Council to make TTSP-related payments utilising Winter Grant Scheme monies.

In total, the team has received 2,047 applications for City of Lincoln, of which at the time of writing this report (on 30th July 2021), 714 have received a payment. A breakdown of the applications is shown in the table below:

7.7 The national TTSP scheme was due to end on the 30th June 2021 but was extended in June and is now due to end on the 30th September 2021.

8. Discretionary Housing Payments

8.1 City of Lincoln's government grant for 2021/22 is £138,379 and North Kesteven's £95,525. 2021/22 DHP central government grants for both City of Lincoln and North Kesteven have decreased from 2020/21. However, these allocations are only based on 71% of the national grant allocation – a mid-year review is to take place nationally and further DHP grants awarded to local authorities as appropriate

8.2 The impact of Universal Credit (UC) in Lincoln and North Kesteven is constantly increasing and will continue to do so as UC continues to be rolled out. Covid-19 has had an impact on the number of UC claims being made – seeing an increase in claims, and as a result an increase in UC-related DHP awards. The next stage of UC rollout is still due to be undertaken, with a managed migration process for remaining legacy benefit customers – however this may not be commencing in our Districts, for 1-2 years.

8.3 The table below updates on DHP spend for the period 1st April 2021 – 30th June 2021

- 8.6 An internal DHP working group continues to review DHP procedures with the aim of ensuring that those most in need of additional help with their housing costs receive appropriate support.

The team has reviewed our DHP policy for 2021/22, with a view to allocating central government grant effectively under the backdrop of Covid-19 recovery.

- 8.7 As at 20th August 2021, the initial 2021/22 government DHP grant allocations for both City of Lincoln and North Kesteven have been exhausted. The second DHP grant allocations for local authorities are due to be announced on 1st September 2021. In the meantime, at both Lincoln and North Kesteven, other internal funding areas have been identified to supplement the government grant in the interim – including through rent hardship schemes. An update will be provided to this Committee on 9th September 2021.

9. Council Tax Hardship Fund

- 9.1. As part of its response to COVID-19, the Government announced in the Budget on 11th March 2020 that it would provide local authorities in England with £500m of new grant funding to support economically vulnerable people and households in their local area.

The expectation was that the majority of the hardship fund would be used to provide council tax relief, alongside existing local Council Tax Support schemes for 2020/21. The Guidance notes were released on 24th March 2020 with confirmation of the grant allocation.

Grant allocation was made based on the Council Tax Support (CTS) working age caseload and City of Lincoln were awarded £1,209,846, and North Kesteven £535,715.

Amounts spent up to 21st May 2021 – paid towards the year 2020/21:

- City of Lincoln Council £678,946 towards 3,893 individual Council Tax accounts;

- North Kesteven £279,681 towards 2,562 individual Council Tax accounts.

9.2 The remaining balance of the awards will be allocated towards helping the most vulnerable with further council tax relief alongside existing local Council Tax Support schemes for the year 2021/22.

Initial allocations were paid to eligible Council Tax accounts in July 2021, as follows:

- City of Lincoln Council: £359,922;
- North Kesteven: £172,686.

A verbal update regarding further awards will be made to Joint Committee, on 9th September 2021.

10. Strategic Priorities

10.1 **City of Lincoln: Let's drive economic growth and North Kesteven: Our economy and Our Community:** An understanding of Universal Credit and its wider impacts on City of Lincoln residents and arrears levels is important when reducing poverty and driving economic growth across the City. 10.2 **City of Lincoln: Let's drive economic growth and North Kesteven: Our economy and Our Community:** - A key role in reducing inequality by ensuring residents receive the benefits they are entitled to and providing money / debt advice. There are strategic priorities when engaging with those in receipt of Welfare Benefits, Digital Inclusion, Channel Shift/ Customer Experience, Financial Inclusion and Partnership Working are all key priorities as part of this report.
