REPORT AUTHOR:	AMANDA STANISLAWSKI, AUDIT MANAGER

1. Purpose of Report

- 1.1 To present to Members the Combined Assurance Status Report for 2021/22, for comment.

2. Combined Assurance

- 2.1 The report provides an overview of assurance across the Council. It combines assurance opinions provided by management, corporate assurance systems (such as performance), other external/third party assurance and Internal Audit. The Combined Assurance Report is produced annually, and the current report covers the period 2021/22.
- 2.2 By grouping different sources of assurance in a single model we provide the basis for Senior Management and the Audit Committee to gain a better understanding of the organisation's assurance status.
- 2.3. The report details the methodology that was used and provides assurance across critical services, projects and risks. The report includes details of any amber or red assurances.
- 2.4. The report also feeds into the assurances considered for the Annual Governance Statement, informs the Internal Audit Plan and Annual Internal audit report.
- 2.5 The report is attached at Appendix A.
- 2.6. Despite the impact of Covid-19 on the Council and the changes in services, systems, processes etc that it has had to make the overall levels of assurance are broadly consistent with previous years with a combined assurance of 65% services designated green, 32% amber and 3% red. Further detail of the assurance levels and the actions being taken to address those amber and red assurance areas is included in the attached report.
