SECTION A

Name of policy / project / service	Council Tax Support Scheme 2023/24
Background and aims of policy / project / service at outset	<p>The Council must review and reapprove its Council Tax Support scheme each year as part of its budget setting process, and make any necessary changes for 1st April 2023.</p> <p>It is recognised that the combined effects of the wider welfare reform package on the residents of the District requires a robust and detailed Equality Impact Assessment (EIA).</p> <p>This EIA makes reference to data derived from the current Council Tax Support caseload.</p> <p>Following agreement by Executive on 17th October 2022 to consult on a ‘no change’ scheme for 2023/24 of the draft scheme, formal consultation commenced on 19th October 2022, - which included to those in receipt of Council Tax Support, potentially interested organisations such as Citizens Advice, and other Council Tax major precepting authorities.</p> <p>As a ‘no change’ scheme is being proposed this time round, there is likely to be minimal impact from an equalities perspective.</p>

Age	Y	Y		<p>Pensioners are a protected group for the purposes of Council Tax support Scheme so will not be financially affected, therefore any reduction in benefit would be borne by the remainder of those in receipt of Council Tax Support (working age).</p> <p>There could be a risk people of working age who will bear all the financial impact of the changes, may resent the fact that pensioners are exempt. Working age claimants with younger children under 5 are more likely to be unemployed or work part-time hours (and are mostly female), therefore childcare costs could be a barrier to employment. However, the current Council Tax Support scheme takes childcare costs up to a certain level into account, also Universal Credit takes account of childcare costs in the assessment of entitlement.</p> <p>Due to the current economic climate, it is more difficult for younger people to access employment providing further financial difficulties. Council Tax Support will only be available to those young people who are</p>	Yes	<p>Action dependant on outcome of consultation and Executive recommendation on 3rd January 2023</p> <p>With effect from 1st April 2023</p>

Disability including carers (see Glossary)	Y			<p>The Department for Work and Pensions states that disabled people are less likely to be in employment, therefore the proposals do not impact on this group to the extent that they are regarded as a vulnerable group – or certain incomes would be disregards under the 'All working age banded scheme'.</p> <p>To qualify as 'disabled' the person must</p> <ul style="list-style-type: none"> • Qualify for a disability, enhanced disability or severe disability premium for the claimant or partner, or • Qualify for disability or enhanced disability premium for a dependent, or • Qualify for a disability earnings disregard, or • Receive a disability related council tax reduction. • Be in receipt of Employment and Support Allowance (Work Related or Support Group component). <p>Conclusion of Equality Analysis (describe objective justification for continuing)</p>	<p>Council Tax has to be paid by all those liable to pay it but some people will have limited means to do this because of their low income or they have higher living costs due to illnesses, disabilities or family or personal circumstances.</p> <p>Council Tax is required to raise month to fund Council services but a certain amount of money is directed to those who cannot afford to pay the Council Tax to reduce the financial burden on those households because they need it or because society considers that financial support is beneficial to help certain categories of people in certain situations.</p> <p>As 'no change' scheme is proposed for 2023/24.</p>
