Re: Premises Licence The Terrace, 1 St Pauls Lane, Lincoln LN1 3AL

Dear Sir or Madam,

22/03/2023

I live at a distance of 20m from the 'The Terrace'. Working at Lincoln County Hospital I get up at 6:00 am to be at work at 8:00 am.

I am rather concerned about this licence application: the expected noise level caused by music (live or recorded) and increased custom between 23:00 and 1:00 may make sleep impossible. The Terrace has an open seating area on the rooftop and it may be difficult to control the noise level made by customers using the rooftop – which will be more a problem during summer months.

I therefore object to the proposed licensed activities between 22:00 pm and 1:00 am on the grounds of public nuisance.

With Best Wishes!

A large black rectangular redaction box covers the signature area, obscuring the name and any handwritten notes.
