Action No.	Name of committee report	Information requested / question asked	Officer responsible for providing response	Date response provided	Response
VM 1 – Percentage of Waste recycled or composted (seasonal)	Performance Measure Targets for 2023/24	Could waste be measured volumetrically instead of percentages? In the past KG was used as an indicator.	Simon Walters/ Steve Bird	30 <sup>th</sup> March 2023	Officers should be able to provide KG's alongside percentages moving forward. Steve Bird agreed to speak to Lincolnshire County Council (who provide the key data) about this
New Measures - PS 2	Performance Measure Targets for 2023/24	Was the Central Car Park included in the income figures as a percentage of budget requirement even though it wasn't a pay and display car park?	Simon Walters/ Rod Williamson	27 <sup>th</sup> February 2023	Yes it was. Each Car Park has a budget and an assessment can be carried out for Central Car Park and would included sessional Car Parking.
2.4	Christmas Market Outturn Report 2022	Unbudgeted costs weren't necessarily unplanned. Could the planned unbudgeted costs be adjusted to reflect the overspends?	Simon Colburn		
8. Engagement and Feedback	Christmas Market Outturn Report 2022	How did the calls and complaints at this year's Christmas Market compared to previous years?	Simon Colburn
