

NOTICE OF MOTION

COUNCIL – 28 NOVEMBER 2023

Lincoln Christmas Market

Proposer - Cllr Thomas Dyer, Leader of the Opposition

Seconder - Cllr Rachel Storer, Deputy Leader of the Opposition

Earlier in 2023 the Labour City Council Executive took the decision to scrap the much-loved Lincoln Christmas Market – following a successful 2022 Christmas Market that attracted 320,000 people to our city. As we approach what would have been another Christmas Market, there continues to be significant public outcry for the return of our Christmas Market.

The City Council's alternative events program does not and will never replace the Christmas Market.

The City of Lincoln Council formally call upon the Labour Executive to reconsider their decision to cancel the market and make alternative plans for a safe and workable 2024 Lincoln Christmas Market.
