

City of Lincoln Council Pay Policy Statement 2024/25

1. Introduction

The City of Lincoln Council recognises the need to manage scarce public resources while balancing the need for remuneration at all levels to be adequate to secure and retain high quality employees who are dedicated to public service.

It is important that the City of Lincoln Council is able to determine its own senior pay structures in order to address local priorities and compete in the local labour market.

It is recognised that senior management roles in local government are complex and diverse functions which operate in a political environment where national and local pressures may conflict. The City Council's ability to attract and retain high calibre leaders capable of delivering a complex agenda during times of financial pressure is crucial especially when the numbers of senior management roles are reducing.

2. Legislation

Section 38 (1) of the Localism Act 2011 requires local authorities to produce a pay policy statement for each financial year. The Act provides details on matters that must be included in the policy and guidance from DCLG, JNC for Chief Officers of Local Authorities and ALACE have been used in preparing this statement.

The Pay Policy Statement must be:

- approved formally at full Council by the end of March each year but can be amended at any time during the year
- published on the Council's website
- complied with when the Council sets its terms and conditions for Chief Officers

3. Context

The Council, like all other local authorities, continues to face unprecedented and uncertain times as it copes with the challenge of delivering public services with a much lower level of financial resources than previously.

The Council continues to do all that it can to minimise the effects arising from annually reduced resources on the public sector and those employed by the Council and will prioritise those services that are needed the most.

It has taken sensible steps to comprehensively review the services it delivers, and the way that it delivers them, so that its limited resources are used to

maximum effect, and it will continue to build on its record of delivering new and better ways of doing things.

4. Scope

In order to comply with the Act, the pay policy will include the Council's policy on:

- The level and elements of remuneration for Chief Officers
- The remuneration of the lowest paid employee, and the definition of 'lowest paid employee'
- The relationship between the remuneration of Chief Officers and other officers
- Specific aspects of Chief Officers' remuneration, including at appointment, increases, termination and any other payments.

The Act defines remuneration to include pay, charges, fees, allowances, benefits in kind, increase in enhancements of pension entitlements, and termination payments.

5. Senior Pay

In this Policy the senior pay group covers the top four tiers of the organisation. These are the Chief Executive, Strategic Directors, and Assistant Directors.

The Joint Negotiating Committee (JNC) for Chief Officers of Local Authorities and the Joint Negotiating Committee (JNC) for Chief Executives adopted a modified version of the HAY job evaluation scheme for authorities to use to facilitate a review of senior posts.

In 2003 the Employers Organisation was engaged by the City Council to evaluate senior management posts using the HAY Job Evaluation Scheme. This exercise was repeated in 2005.

In early 2015 a restructure of the Council took place which saw the introduction of two Statutory Officer posts and they, together with the Assistant Directors, were given a wider remit in terms of strategic service delivery. As a result of the restructure, a further salary evaluation was undertaken, and the following salary ranges were agreed.

Chief Executive	-	£116,942	-	£131,825
Strategic Directors	-	£89,756	-	£104,435
Statutory Officers	-	£76,718	-	£82,439
Assistant Directors	-	£67,013	-	£73,697

The percentage differentials between grades are between 76 and 79% of the Chief Executives bandings for Strategic Directors, 62 and 65% Chief Executives bandings for Statutory Officers and 70 to 74% Strategic Directors bandings for Assistant Directors.

Since this date salary increases will be in line with the negotiated settlements as agreed by the JNC for Chief Officers and Chief Executives.

5.2 Allowances and Benefits for the Chief Executive and Chief Officers

There are no other additional elements of remuneration in respect of overtime, bank holiday working, stand-by payments, enhanced payments for evening or weekend working paid to senior staff, as they are expected to undertake duties outside their contractual hours and working patterns without additional payment. In line with this we do not operate an 'earn back' scheme and do not consider this would be appropriate at this time.

5.3 Severance of Chief Officers Contracts

There is no severance package for Chief Officers, outside of those relating to entitlements under the JNC Terms and Conditions, the policies of City of Lincoln Council and the Local Government Regulations which relate to all employees on termination or dismissal.

5.4 Publication of Information Relating to Chief Officer Pay

Rates of pay are published in accordance with the Localism Act.

5.5 Additional Fees

The Chief Executive is the Returning Officer for the City of Lincoln Council. The Returning Officer is the person who has the overall responsibility for the conduct of elections. The Returning Officer is an officer of the Council who is appointed under the Representation of the People Act 1983, although appointed by the Council the role of the Returning Officer is one of a personal nature and distinct and separate from their duties as an employee of the Council. The Returning Officer is personally responsible for:

- the nomination process for candidates and political parties;
- provision and notification of polling stations;
- appointment of presiding officers and polling clerks;
- appropriate administration and security of polling stations;
- preparation of all ballot papers;
- the actual Count and Declaration of Results;
- issue, receipt and counting of postal ballot papers;
- all candidates' election expenses return

6. Pay Structure

The pay structure for employees who are covered by the National Joint Council for local Government Services (Green Book) are calculated using the Greater London Provincial Council Job Evaluation Scheme. Employees only receive a pay rise when it has been agreed nationally with the Joint Negotiating Committee. Employees can move up a spinal column point within their grade after each year of service until the highest spinal column point is reached.

The Salaries for employees covered by the Joint Negotiating Committee for Local authority Craft and Associated Employees (Red Book) are within the Craft Development scheme which was agreed under the terms of a local agreement in 2006. Employees under the Craft Development Scheme are paid according to their skills and ability linked to their specific craft.

Employees only receive a pay rise when it has been agreed nationally with the Joint Negotiating Committee.

The Council does not have a policy that would allow any employee to minimise tax payments.

7. Living Wage

The Council became an accredited member of the Living Wage Foundation in October 2013.

The Council has previously implemented the living wage increases. Depending on the outcome of the pay award negotiations for 2024/25 will determine whether the Council would progress to seek approval to implement the latest living wage rate. The Council implemented the living wage increase of £10.90 in April 2023.

8. Relationship Between Pay Rates

The lowest paid employee within the Council is on grade S1b and is paid £22,555. The hourly rate for this lowest scale is currently above the living wage rate (£11.6909).

The highest graded post is that of Chief Executive of £131,825 per annum.

Therefore, the ratio between the Chief Executives pay and the lowest paid employees is 5.8:1. This is considered to be acceptable currently and the ratios have decreased slightly on last year due to the consistent application of the pay award of £1925 on all points regardless of salary.

9. Pension Contributions

All employees who are members of the Local Government Pension Scheme make individual contributions to the scheme in accordance with the following table.

Local Government Pension Scheme – contribution bands with effect from the 1 April 2023.

Band	Salary Range	Contribution Rate
1	£0 - £16,500	5.5%
2	£16,501 - £25,900	5.8%
3	£25,901 - £42,100	6.5%
4	£42,101 - £53,300	6.8%
5	£53,301 - £74,700	8.5%
6	£74,701 - £105,900	9.9%
7	£105,901 - £124,800	10.5%
8	£124,801 - £187,200	11.4%
9	More than £187,201	12.5%

independently. The rules governing the pension scheme are contained in regulations made by Parliament.
