DHI REMEDIES POLICY

1.	Purpose
1.1	We recognise that occasions do arise when we may make a payment in recognition of loss or detriment suffered, in the form of compensation to a customer who has an interest in a property owned and/or managed by the City of Lincoln Council under the terms of a tenancy or lease agreement
1.2	This policy also details who is entitled to make a claim for compensation and how the amount of compensation awarded will be determined.
1.3	This policy does not cover payments to settle claims for personal injury. These are dealt with separately by our insurers.
1.4	This policy does not cover the provision to financially compensate for reasonable expenses incurred when a tenant is temporarily decanted to another property whilst their home received major repair works, refurbishment, or undergoing remedial work; this will be set out within the City Councils' Decanting Policy.
1.5	This policy is intended to provide general guidance only. Each individual claim for compensation will be considered on its merits against the statutory and policy framework.
1.6	This policy should be read in conjunction with the City of Lincoln Council's Corporate Complaints Policy which may be used by customers who feel they have experienced a service failure.
2.	Key Principals and Service Standards
2.1	<p>We are committed to achieving the highest possible standards in the services we provide. This policy will ensure that a consistent and fair approach to compensation, gestures of goodwill and ex-gratia payments is taken by:</p> <ul style="list-style-type: none"> Ensuring that tenants and leaseholders are not materially disadvantaged as a result of asset management, repairs or service failures. Applying this policy effectively and proportionately.
3.	Equalities Statement
3.1	We will ensure that this policy is applied fairly and consistently to customers. The council will not directly or indirectly discriminate against any person or groups of people because of their age, disability, gender, gender reassignment, marital or maternity status, race, religion or sexual orientation.

3.2	When applying this policy, we will act sensitively towards the diverse needs of individuals and communities.
4	Policy Detail
4.1	Right to Compensation for Improvements
4.1.1	<p>Secure tenants with the City of Lincoln Council are entitled to compensation for certain improvements they have made, following a move from their property, they may be entitled to compensation if:</p> <ul style="list-style-type: none"> • They have carried out qualifying improvements to their property; • They have obtained the written consent of the City of Lincoln Council; and • The cost of an improvement is £50 or more; and • The works were started after 1 April 1994.
4.1.2	A qualifying improvement is one that is listed in the table details in Appendix A.
4.1.3	The maximum compensation that can be paid for any single improvement is £3000.
4.1.4	<p>To make a claim the tenant must write to the council, within the period starting 28 days before, and ending 14 days after the tenancy end date and provide the following information:</p> <ul style="list-style-type: none"> • Name and address, including a forwarding address. • Details of the improvements made. • How much each improvement cost, together with the invoices and receipts. • The date the improvements began and finished. • Copies of all relevant certificates to demonstrate that the improvement met with the required legislation and building control standards, where relevant.
4.1.5	<p>Our contact details are as follows:</p> <ul style="list-style-type: none"> • Email: customer.services@lincoln.gov.uk • Call: 01522 873333 (Housing) • Write to: City of Lincoln Council, City Hall, Beaumont Fee, Lincoln, LN1 1DE
4.1.6	We will inspect the improvement and information provided to ensure that the works have been completed to an acceptable standard before considering whether to make an offer of compensation. If works fail to meet this standard, or relevant safety certificates are not provided, no compensation will be offered, and the customer may be asked to re-instate the property to its original

	condition at their own expense or pay for the damage to be rectified if the work is not completed.
4.1.7	<p>We will consider the following factors when determining the level of compensation:</p> <ul style="list-style-type: none"> • The cost of the improvement. • The time since the improvement was completed; and • The notional lifespan of the improvement.
4.1.8	<p>The level of the compensation payable may be reduced or increased if:</p> <ul style="list-style-type: none"> • The cost of the improvement was excessive • The improvement is of higher / lower quality than it would have been had the landlord completed the works. • The improvement has deteriorated at a greater/lesser rate than the expected notional life, as detailed in Appendix A, for normal wear and tear. • If the improvement was funded by a grant.
4.1.9	Tenants will not be entitled to claim compensation if they have assigned their tenancy to someone else, purchased the property under the Right to Buy scheme, moved through a Mutual Exchange, or if the tenancy was ended by way of a court order. In addition, the City of Lincoln Council may refuse claims for compensation if the improvements were not authorised.
4.2	Disturbance Allowance
4.2.1	We undertake many improvement programmes during each year and recognise that these may disrupt tenants. To compensate for this disruption, we have introduced a Disturbance Allowance payment scheme. This applies only to works done as part of an improvement programme and not repairs a tenant has asked for.
4.2.2	We will grant a decoration voucher to compensate for any damage to decoration.
4.2.3	The Disturbance Allowance is calculated as a percentage of weekly rent charges, refunded either as a rent credit if you are in arrears, or BACS payment into a bank account.
4.2.4	<p>You may qualify for a Disturbance Allowance if:</p> <ul style="list-style-type: none"> • You lose the use of part of your home for more than one week. • You are not rehoused during the works. • You lose the use of part of your garden for more than one week. • You have scaffolding up for longer than 4 weeks. <p>See further details on how we define these terms in the section below.</p>

4.2.5	Losing the use of part of your home means you are unable to use a room or amenity because building work is going on during the day, or you are unable to use a room or amenity outside normal working hours because of the type of work being done. See Appendix B for details.
4.2.6	Losing the use of part of your garden means you may be entitled to compensation if the council or our contractor uses either your front or back garden to store materials. The allowance would be 20% of the weekly property rent for each full week of loss. If both the front and back gardens are used, the allowance will be 50% of the weekly rent for each full week of loss (part weeks do not count).
4.2.7	Having scaffolding up for more than 4 weeks means you may be entitled to compensation. The allowance would be 20% of the weekly property rent for either the front or back walls of your property. If both the front and back of the property have scaffolding up for longer than 4 weeks, the allowance would be 50% of the weekly property rent (part weeks do not count).
4.2.8	To claim please use the disturbance allowance claim form at Appendix C or write to the City of Lincoln Council.
4.2.9	It is important that even when a request for compensation has been made, rent must continue to be paid or a tenancy may be at risk.
4.3	Gesture of Goodwill
4.3.1	We may consider making a payment as a gesture of goodwill where service delivery failings cause exceptional inconvenience, stress, disturbance or annoyance.
4.3.2	Any requests for compensation as a result of a service delivery failure will be investigated and payment may be offered in line with our goodwill payment matrix. See Appendix D .
4.4	Payment of Compensation to Customers
4.4.1	Any offer of compensation will be made to a customer in writing. The customer must confirm in writing if they accept the payment as full and final settlement of their claim.
4.4.2	Compensation payments to customers through this will be offset against any housing debts owed to the council, including rent arrears, or re-charges for rectification of damage. Following the offset, any balance remaining will be paid directly to the customer via BACS transfer.
4.5	Review of Decisions

4.5.1	Customers can appeal against a decision not to award compensation and can request that the decision is reviewed within 14 days of the decision being made. The decision will be reviewed by a more senior Manager who was not involved in the original decision.
4.6	Disputes
4.6.1	If a customer remains dissatisfied with the offer the case can be considered through the Corporate Complaints Policy.
4.6.2	In the event that the Council is unable to resolve matters of dispute through our internal processes, the case can be referred to the Housing Ombudsman Service.
4.7	Insurance Claims
4.7.1	There is a separate process for dealing with claims of negligence, public liability and insurance claims and these are outside the scope of this policy.
4.7.2	Tenants and leaseholders are expected to take out contents insurance, for which there are numerous insurance providers who offer low-cost schemes.
4.7.3	<p>If a customer alleges negligence in some way, the City of Lincoln Council reserves the right to refer the claim to its solicitors or insurers for investigation. Examples of this may include (but are not limited to) where:</p> <ul style="list-style-type: none"> • The customer suggests that they, or a member of the household, have suffered a personal injury as a result of something the council, or its agents/contractors, have done or not done. • The customer feels that they have suffered a loss of reputation as a result of something the council, or its agents/contractors have done or not done. • Damage to personal belongings (excluding damage to interior décor as a result of a routine repair).
4.8	Housing Disrepair Claims
4.8.1	In an instance where we have been notified of a need for repair to one of our residential dwellings or blocks of flats, but have failed to rectify the problem, a customer may wish to make a claim against the City of Lincoln Council for disrepair. This includes claims for damp and/or mould being present in a property.
4.8.2	There is a pre-action protocol published by the Ministry of Justice, which sets out a process for customers (whether tenant, leaseholder, or resident member of their family), and the Council to follow. The details of the pre-action protocol for disrepair can be found on the Ministry of Justice website, Pre-Action

	Protocol for Housing Conditions Claims (England) – Civil Procedure Rules (justice.gov.uk)
4.8.3	The protocol aims to avoid the need to go to Court by finding an appropriate solution via alternative methods of resolution. We will robustly defend such claims where there is no evidence that the Council is in breach of our repair responsibilities as Landlord.
4.8.4	<p>Details of how to contact us can be found below:</p> <ul style="list-style-type: none"> • Email: customer.services@lincoln.gov.uk • Call: 01522 881188 • Write to: City of Lincoln Council, City Hall, Beaumont Fee, Lincoln, LN1 1DE
