

## Appendix A: Self-Assessment Form

This self-assessment form should be completed by the complaints officer and it must be reviewed and approved by the landlord's governing body at least annually.

Once approved, landlords must publish the self-assessment as part of the annual complaints performance and service improvement report on their website. The governing body's response to the report must be published alongside this.

Landlords are required to complete the self-assessment in full and support all statements with evidence, with additional commentary, as necessary.

We recognise that there may be a small number of circumstances where landlords are unable to meet the requirements, for example, if they do not have a website. In these circumstances, we expect landlords to deliver the intentions of the Code in an alternative way, for example by publishing information in a public area so that it is easily accessible.

1.2	A complaint must be defined as: <i>'an expression of dissatisfaction, however made, about the standard of service, actions or lack of action by the landlord, its own staff, or those acting on its behalf, affecting a resident or group of residents.'</i>	Yes	Complaints Policy contains this definition	
1.3	A resident does not have to use the word 'complaint' for it to be treated as such. Whenever a resident expresses dissatisfaction landlords must give them the choice to make complaint. A complaint that is submitted via a third party or representative must be handled in line with the landlord's complaints policy.	Yes	The Complaints Policy contains this definition and the recognition of 3 <sup>rd</sup> party or representatives' ability to complain on behalf of the resident. Staff information emphasises this aspect. See Video for launch of policy and emails to all staff.	
1.4	Landlords must recognise the difference between a service request and a complaint. This must be set out in their complaints policy. A service request is a request from a resident to the landlord requiring action to be taken to put something right. Service requests are not complaints, but must be	Yes	The Complaints Policy reflects this	

	recorded, monitored and reviewed regularly.

Landlords must not stop their efforts to address the service request if the resident complains.	Yes	This definition is included in our policy	
1.6	An expression of dissatisfaction with services made through a survey is not defined as a complaint, though wherever possible, the person completing the survey should be made aware of how they can pursue a complaint if they wish to. Where landlords ask for wider feedback about their services, they also must provide details of how residents can complain.	Yes	This is in the policy. Corporate Communications and Policy Unit have been briefed.	

## Section 2: Exclusions

Code provision	Code requirement	Comply: Yes / No	Evidence	Commentary / explanation

2.3	Landlords must accept complaints referred to them within 12 months of the issue occurring or the resident becoming aware of the issue, unless they are excluded on other grounds. Landlords must consider whether to apply discretion to accept complaints made outside this time limit where there are good reasons to do so.	Yes	As set out in our Policy	
2.4	If a landlord decides not to accept a complaint, an explanation must be provided to the resident setting out the reasons why the matter is not suitable for the complaints process and the right to take that decision to the Ombudsman. If the Ombudsman does not agree that the exclusion has been fairly applied, the Ombudsman may tell the landlord to take on the complaint.	Yes	As set out in our Policy	
2.5	Landlords must not take a blanket approach to excluding complaints; they must consider the individual circumstances of each complaint.	Yes	As set out in our Policy

Low complaint volumes are potentially a sign that residents are unable to complain.	Yes	Complaints are seen as an opportunity to put things right and to learn. See Corporate Complaints policy and video launch for confirmation	
3.4	Landlords must make their complaint policy available in a clear and accessible format for all residents. This will detail the two stage process, what	Yes	We are compliant with this

Yes	We have no informal complaint level – This is set out in the policy and was emphasised in the corporate launch video and in email to all staff.

5.6	When a complaint is logged at Stage 1 or escalated to Stage 2, landlords must set out their understanding of the complaint and the outcomes the resident is seeking. The Code will refer to this as “the complaint definition.” If any aspect of the complaint is unclear, the resident must be asked for clarification.	Yes	This process is set out in both our policy and the staff guidance notes
